

I'm continuing on my journey to bring this epic legend of La Llorona to the main stage and to Broadway. Your support can make this possible.

In collaboration with Teatro Latea in NYC (an off-off-Broadway theater company), Opera Cultura is co-producing this work in September of 2011. Your generous donation will help us raise the funds necessary to bring La Llorona to the East coast in the form of a staged showcase production. We have committed to raise \$10,000 out of \$40,000. production. Please help. Individuals like you are key to changing the face of Broadway to a truly multicultural experience for everyone.

Thank you, Hector Armienta
